Principal Ken Cervantes, Teachers, & Staff of
Billinghurst Middle School

Just a note to say a big "Thank You" for the school assembly today. All of the students were impressive, from those who greeted us upon arrival, to the leaders of the program; and of course, the color guard, chorus, orchestra, and band. Thinking way back to my middle school days, it was also impressive that the student body in attendance was so respectful and well behaved.

Such polite, cheerful, and capable young people are benefiting from exceptional leadership.

Thank you for the copy of Billinghurst Core Beliefs and Bighorn Attitude. It is wonderful to know that our children and grandchildren are given a strong foundation in character and values for living.

Educators have an awesome responsibility – to guide those who are America's future. Thank you so much for taking that responsibility to heart.

*Best Wishes,
