

AUDITIONING OR WORKING BACKSTAGE IN ANY SHOWS THIS YEAR?

Please sign in as an artist with Damonte Ranch Drama. Here are the steps:

1. Go to www.stagemanagement.com/vsm
2. Under "Join Virtual Stage Management," type the following sign up code: mrhearn
3. Click "Sign Up" with the mouse (hitting Enter will not get you past this screen).
4. Make sure you complete the *required* fields (do not enter anything under "nickname"),then click "Create This Artist" when done. You do *not* need to enter a headshot photo or a bio at this time.
5. Virtual Stage Manager will send you an email with directions to Activate your account. After you activate, you will be all signed up!
6. Your parents may also sign up as artists, and then they will have access to rehearsal schedules, as well as assign preferences for receiving email and/or text reminders.

Why sign up? You will not be permitted to work on a play (either on stage or backstage) until you're signed up as an artist in VSM. Instead of copying 700 versions of the rehearsal schedule, you'll have access to it on the internet, as well as email and text reminders and notifications of changes or cancellations. You will not receive anyone's schedule but your own—so that eliminates confusion about which days you're needed at a rehearsal. VSM is new to us this year and we're excited to go digital! If you have questions, see Erin McMahon or Mr. Hearn.
