

Family Engagement for High School Success Questions for Community Partners

Research shows that parent and family involvement is important to student success. Schools in Washoe County are participating in a planning process to help schools to better partner with families towards increased graduation. We know that community partnerships with schools are invaluable. Please complete the following questionnaire to help us better understand how to improve this partnership.

What school(s) do you work with?

Subject(s) / Grade(s) :

Please use the scale to answer the following questions:

1. Our organization donates in-kind contributions to each of the above schools.
 - Strongly Agree
 - Agree
 - Neutral
 - Disagree
 - Strongly Disagree
2. Our organization donates direct/indirect services to each of the above schools.
 - Strongly Agree
 - Agree
 - Neutral
 - Disagree
 - Strongly Disagree
3. Our organization tries to help students understand how to attain their life's aspirations through graduating from high school.
 - Strongly Agree
 - Agree
 - Neutral
 - Disagree
 - Strongly Disagree

4. Please describe the contributions or services you provide for each school you work with:

5. Are there other contributions that your organization provides that are not mentioned above? If so, what are they?

6. What is needed to help parents engage with their students better?

7. Is there a question we should have asked, but didn't? Please provide any information that you think is important to understanding how to engage families with schools.

8. If you are interested in learning more about this planning process, please provide us with the best way to contact you.

Thank you for your participation!
