BOARDCAST E-NEWSLETTER

Dear John Doe,

A Word from the Board President Barbara Clark

The beginning of 2009 has been busy for the Board. Outside of routine business and board meetings we have focused on the process to find a replacement for Superintendent Dugan as well as paying close attention to the legislative activities ongoing in Carson City. The board is conscious of its fiscal responsibility in each decision it makes and is also preparing for another possible round of cuts.

We are interested in your input on all of the above and will take all feedback we receive into our decision-making. Please read below how you can provide input. We look forward to hearing from you.

the latest news, documents and events surrounding the ongoing crisis, there is a section on the website specifically dedicated to this issue. [Click here](#) to see more. We believe it is vital to work with the community to help us get through this crisis. We have held a number of town hall meetings seeking input and have another one coming up on March 16, North Valleys High School, 8pm -9pm.

Superintendent Search

The search for the WCSD new superintendent continues. The town hall meetings have commenced and public input is being gathered. We appreciate not everyone can attend a town hall meeting, so an online survey has been developed to obtain input as to the ideal characteristics and qualities in a superintendent. We will receive all the information gathered from the questionnaire, together with that from email and the town hall meetings, and will use it to guide us in the candidate selection process. School Zone

The board has recently had the opportunity to write a column in the Reno Gazette Journal Neighborhood section called 'School Zone'. Each week a Trustee will address an issue that is important to them. Check it out each Friday.
