HIGH SCHOOL AND MIDDLE SCHOOL SALARY ADJUSTED PROCEDURE

If there is a break in service in an activity that uses a step procedure for determining extended day athletic and support group salary, then the salary for future employment will revert back to Step 1. The exception to this will be when a person who has had more than five years experience in that same activity is rehired after a break in service. That person will be entitled to use his/her five years of previous experience as long as s/he is hired for a like position in the Washoe County School District, and will be placed on Step 3 of the salary schedule.

Employees who come from a like activity, i.e., high school boys'/girls' basketball to middle school boys'/girls/ basketball, will be credited into the appropriate step as long as there is no break in service.
