

My Child's Report

My Child's School
Phone # is:

Date/Period (example Mar. 2nd— Period 3)
Unexcused (AUK), Unexcused Missed Instruction (T), Domestic (DOM), Confirmed Truant (CT)

Please Note: The Washoe County School District Policy states that a student must attend school 90% of the year. For example, the average elementary school year is 180 days so a student can only have 18 unexcused absences. Examples of these types of absences may include: staying home to care for siblings, didn't feel like coming to school, transportation issues or sleeping in too late. If the student has too many absences, the student may not pass to the next grade level and have to repeat the same grade.

PARENT TIP: When you talk to your child about their grades, talk about the good things they are doing first.

My child is doing WELL in the following subjects:

Subject (example: Math)	Date/Assignment/Grade (example: Mar. 3rd-Chpt. 3-90% A-)

PARENT TIP: When talking to your child about what they've done well, be specific. You might say, "I noticed you received 90% on your Chapter 3 assignment in your math class. Congratulations! I'm proud of you."

My child is NOT DOING WELL in the following subjects:

Subject (example: English)	Date/Assignment/Grade (example: Mar. 3rd-Essay-55% F)

PARENT TIP: If your child is NOT doing well in a class, take the following steps. Talk to your child first if they are NOT doing well in a class. Determine what it is that is giving them problems.

- Is it a lack of time to complete homework at home or after school?
- Are they having trouble understanding the class work?
- Do they get nervous when they have to take a quiz or a test?
- Do they have problems taking notes in class?

Help your child to overcome these problems as best as you can. If you cannot help them to understand the material, *contact your child's teacher by phone or email* and request to meet with that teacher.

Include your student in the meeting so that the teacher, your student and you can work together. Ask if there is tutoring available at the school or other help available for your child.
