Product Overview

The district has made Apple products available directly for instructional use. Below are the recommended system configurations for use by administrators, teachers and students. Desktop and laptop pricing includes the 3-Year AppleCare Protection Plan (APP), which provides hardware coverage and phone support for 3 years from the date of purchase. All Apple computers come with the iLife '11 creativity suite that includes iPhoto, iMovie and GarageBand. These applications allow students to create incredible content while participating in a 21st century learning environment. Microsoft Office is available for all Apple computers as a separate purchase. Apple computers also have the ability to run Microsoft Windows, which is licensed separately by Microsoft.

iPad2 pricing provides an option to include the 2-Year AppleCare Protection Plan, which provides hardware coverage and phone support for 2 years from the date of purchase.

Follow the Purchase Requests instructions found on the Business Plus/Bi-Tech information webpage <http://www.washoe.k12.nv.us/staff/bi-tech-upgrade/tips-hints-and-shortcuts> to complete your order.
