

INTERNET SAFETY UNIT

ESSENTIAL QUESTIONS:

1. Can you identify the potential RISKY BEHAVIORS involved when using the Internet?
2. Can you identify ways in which a PREDATOR might try to gain your trust?
3. Can you explain why POSTING PERSONAL INFORMATION (such as your age, school, location, and pictures) can potentially be dangerous?
4. Can you explain why CYBERBULLING is a serious offense?
5. Can you describe the dangers and legal issues involved with downloading music and other files from Peer-to-Peer sites?

WHAT ARE YOU LEARNING TODAY?:

I am learning how to safely use the Internet. This includes all of the above issues.

WHY DO YOU THINK THIS IS IMPORTANT?

To be made aware of the how Predators and Cyberbullies can utilize my personal information and make me a potential victim. It is valuable now and in my future because the World revolves around this technology
