

Join Hunsberger's Birthday Book Club!

The Hunsberger Birthday Book Club is a fantastic way to fill our library with great new books while celebrating your child's birthday. On or near your child's big day, he/she will be allowed to choose a new book during their regular library time. A donation bookplate inscribed with your child's name and birthday will be placed in the book and your child will be allowed to check their chosen book out to read for the week. The book then becomes part of Hunsberger's library collection. Your donation makes it possible for our library to add new books each school year.

What about summer birthdays? Children with birthdays during June, July, and August will be recognized at the end of the school year.

To join just complete the Order Form below, attach your check for \$10.00 made payable to Hunsberger Elementary School, and return to your child's teacher.

Thank you for supporting Hunsberger's library.
