

Our Rifle Team had an amazing season this year. The Cougars finished the regular season undefeated. They took second place at the state final and had three shooters finish in the top eight. The Cougars also went to the army national championships in Camp Perry, Ohio where the precision team took second place and had two shooters finish in the top eight and the sporter team took seventh place. They also competed in several tournaments throughout the season including the State Junior Olympics where they took first, The Winter Classic where they also took first, and the Carson invitational where they took second place.

If you want to join the rifle team we would love to have you! There is no experience needed and you do not need to be in JROTC to participate. Come be part of the Cougar Rifle Team!!!!
